

SUMMATION OF MY ESSAY.

LIKE UNNAMED MILLIONS BEFORE ME, I WILL NEVER KNOW IF I WAS LUCKY ENOUGH TO HAVE ADDED SOME SMALL PORTION TO MANS QUEST FOR THE THEORY OF EVERYTHING (T.O.E.).

IF YOU ACCEPT THE PREMISE OF MY ESSAY, "IT EXISTS, NO BEGINNING, NO END," THEN SIMPLE LOGIC WILL TELL YOU, THAT THERE WILL NEVER BE A T.O.E. TO THE BEST OF MY KNOWLEDGE MAN IS THE ONLY ONE THAT INVENTED "BEGINNING" AND "END" BECAUSE IT DOES APPLY TO US.

I SINCERELY FEEL THAT MAN HAS ACHIEVED SOME GREATNESS, EXCEPT FOR TWO OVERRIDING HUMAN TRAITS THAT KEEP GNAWING AT THAT GREATNESS: VIOLENCE and GREED.

IN MY HUMBLE OPINION, EVERYTHING I HAVE STUDIED AND EXPERIENCED IN MY 77 YEARS, I CAN ONLY DRAW ONE CONCLUSION ("IN MAN'S IMAGE, OBVIOUSLY"); "THE ONE AND ONLY TRUE CREATOR," AND "THE ONE AND ONLY TRUE MOTHER NATURE," ARE ONE OF THE SAME. MY ESSAY BEGAN WITH 3 CHOICES, IT ENDS WITH 3 JUDGMENTS: #1, HEAVEN OF 30 VIRGINS FOR EACH MUSLIM. #2, HEAVEN OF GOLDEN PAVED STREETS FOR EVERY CHRISTIAN. #3, HELL FOR ALL OF US. NONBELIEVERS, WE ARE ON OUR OWN (WILD CARD). 17
